final cut™

Selected entirely from vineyards growing in the premium wine regions of South Australia, our Montage Shiraz combines mouth-filling black fruit and complex spice flavors with a long, velvety finish. In both film and wine, the Final Cut is the pinnacle of achievement after a long labour of love. We're proud that Montage made the cut in 2006!

final cut™

More than one take is required in the production of a movie. With Final Cut Take Two, we present the traditional Australian union of **Shiraz (67%)** and **Cabernet Sauvignon (33%)**. Sourced entirely from the Stonewell region of the Barossa Valley in South Australia, this is a seamless and mouth-filling wine. We're proud that Take Two made the cut in 2006!
